		Premium rate (non Islington)	£25.00

CHEAPER CHILDCARE FOR LOW INCOME WORKING FAMILIES

Some low-income working families find it hard to pay for childcare – although tax credits can really help, not everyone is entitled to them and, even if you are, they may not cover all your costs.

So Hilldrop Play Projects are offering a limited number of places with a discount of £2 per day (After School Club) / £4 per day (Holiday Playscheme).

If your family's income is £24,999 or lower (gross – before tax) and you are in paid employment, you can apply. These discounts are available on a first-come first-served basis and limited to one per family.

To apply for these discount places, you will need to complete a simple application form and provide original documents to prove:

- Your address (utility bill)
- Your Income (weekly or monthly pay slips or audited accounts/HMRC self-assessment form if self-employed)
- Proof of your child's identity (birth certificate or passport)

To request an application for a discounted place please speak to the Play Work Manager, Iola Isaac (0207 700 1871 iola@hilldrop.org.uk) and present the completed forms and evidence asap.

We also offer the following additional discounts:

Siblings: £2 discount for each child per session in ASC and HPS

Children with disabilities – 25% reduction in fees

Payment terms:

After School Club fees are invoiced at the end of each month. Holiday Playscheme bookings are invoiced on confirmation of attendance and we prefer to take payment in advance where possible.

Invoices are payable by BACS to Hilldrop Area Community Association, account 00029670 s/c 45-52-40.
