

Bright Start Islington: Family Support Service

Bright Start Islington provide outreach, signposting and individual assistance for families with children under 5. Working across children's centres, nurseries, health centres, community centres and libraries we support families from pregnancy to a child's fifth birthday.

Telephone Surgeries: Monday to Friday 9am to 12pm

If you have a question or need information or advice our family engagement workers are still here to talk over the phone. If lines are busy, leave a message or text and we will get back to you when we can. If you want to speak to someone outside of these hours please send us an email.
